Steven Zhao

260 American Canyon Road, Space 93,
American Canyon, CA 94503
Tel: 707-319-1817
Email: szhao@csus.edu

OBJECTIVE: Obtain a job opportunity that would best utilize my communication, team building, and problem solving skills.

EDUCATION

Major: Computer Science (Senior at California State University, Sacramento)

Related Courses Taken at CSUS (2003 – present)

Program Concept + Method (CSC 15, CSC 20)
Discrete Structures (CSC 28)
Introduction to Computer Architecture (CSC35)
Introduction to System Program in Unix (CSC60)
Data Structures and Algorithm Analysis (CSC130)
Computer Software Engineering (CSC131)
Computer Theory (CSC132)

Napa Valley College (1999 – 2003)
2277 Napa-Vallejo Highway, Napa CA 94574

SKILLS

Studied methodologies used for software design, and analysis at the California States University, Sacramento

- Successfully completed all prerequisite courses for Bachelor's Degree in Computer Science.
- Studied the essential discrete structures used in Computer Science, with emphasis on their applications.
- Studied the internal representation of numeric and non-numeric data, assembly level machine architecture, addressing modes, subroutine linkage, polled input/output, interrupts, high-level language interfacing, macros and pseudo operations.
- Studied the features of the C language commonly used in systems programming, application to systems programming in a UNIX environment.

Studied application of object-oriented techniques for systematic problem analysis and specification, design, coding, testing, and documentation.

Technical

- *Operating Systems:* Unix, Apple Mac OS, Windows OS
- Programming Languages: C++, Java
- Typing Speed: 68 wpm, 98% Accuracy

WORK EXPERIENCE

Software Tester & Data Entry, Bentley Systems, Inc., Sacramento, CA (June 2006 – October 2006)

Computer Laboratory Administrator, Napa Valley College, Napa, CA *(August 2002- August 2003)*

- Coordinate activities within computer laboratory.
- Maintain computer network.
- Maintain standards for laboratory use.
- Assist students with assignments.
- Perform related work as required.

Network Administrator Assistant, Napa Valley College, Napa, CA *(August 2001- August 2002)*

- Troubleshoots and maintains the network.
- Install, configures and upgrades software and operating system.
- Provide technical support to faculty and student.

Counter Clerk, Panda Express, Fairfield, CA *(December 1999- December 2000)*

- Serve food.

Create daily money flow report.
